Please change the Created Date and Time Notation in Search Box

Cause, Readability is poor

before :10/10/2023 00:00:00 -> after : 2023-10-10 00:00:00 (YYYY-MM-DD HH:MM:SS)

And one more thing,

Now is cannot search only one day (only period searches are possible)

Please change daily data searchable
