

AI Anchor Generator - (Bug) #6254

When searching a title in the search box, only keywords included in both the Korean and English titles are searched.

2023/11/16 10:21 -

| | | | |
|---|-------------|---|------------|
| : | (Completed) | : | 2023/11/16 |
| : | (Normal) | : | |
| : | | : | 100% |
| : | | : | 0.00 |
| : | | : | 0.00 |

Currently, only keywords included in both Korean and English titles are searched.
It must be searched even if it applies only to the Korean title or only to the English title.
